The New Season

SS26 in the bag.

BagBase sets SS26 in motion with trends that hit now: fresh palettes, contemporary materials and a directional aesthetic. With twenty-five new designs, the collection spans multiple styles, mindsets and moments. From the everyday commute to weekends in the wild, the range channels sharp silhouettes and on-point detailing for a bold start to the season.

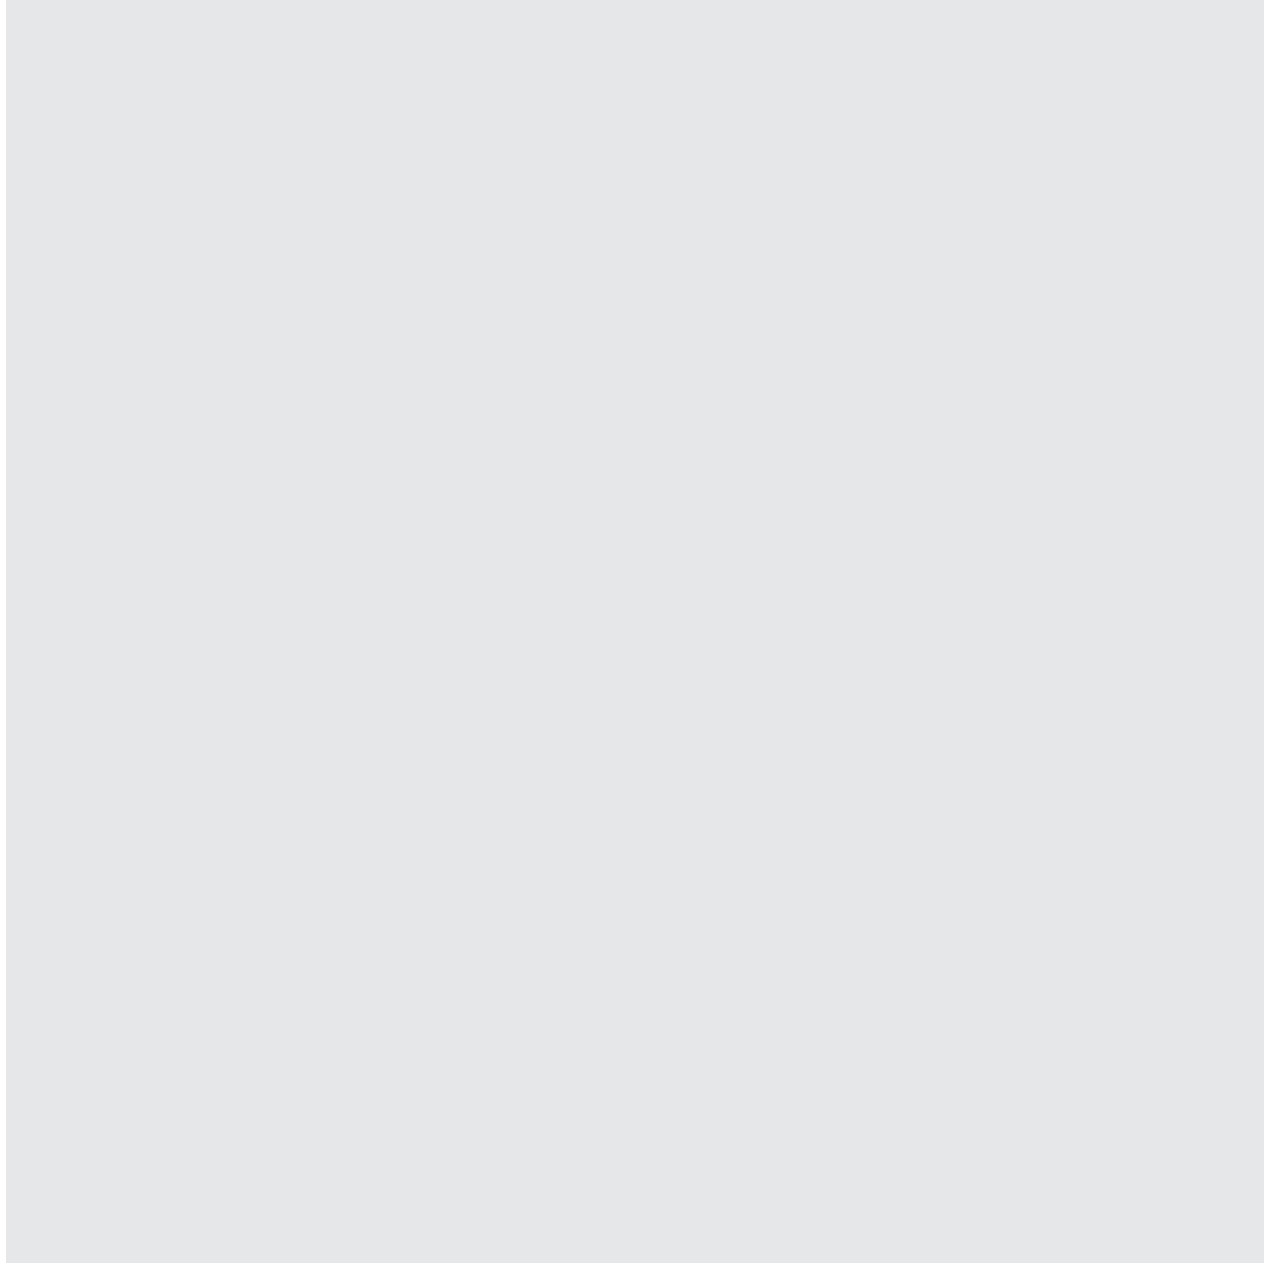

Quilted Collection

Soft shift.

Soft to the touch with a bold, quilted finish, this range delivers a confident, fashion-led aesthetic. The pillowy texture makes a statement, while considered details bring a refined, trend-inspired edge. Elevated yet effortless: a directional take on the everyday.

A man and a woman are shown from the chest up, looking off to the side against a clear blue sky. The man on the left is wearing a yellow and black plaid shirt and a green backpack. The woman on the right is wearing an orange top and a black backpack. The image is a low-angle shot, making the subjects appear to be looking upwards.

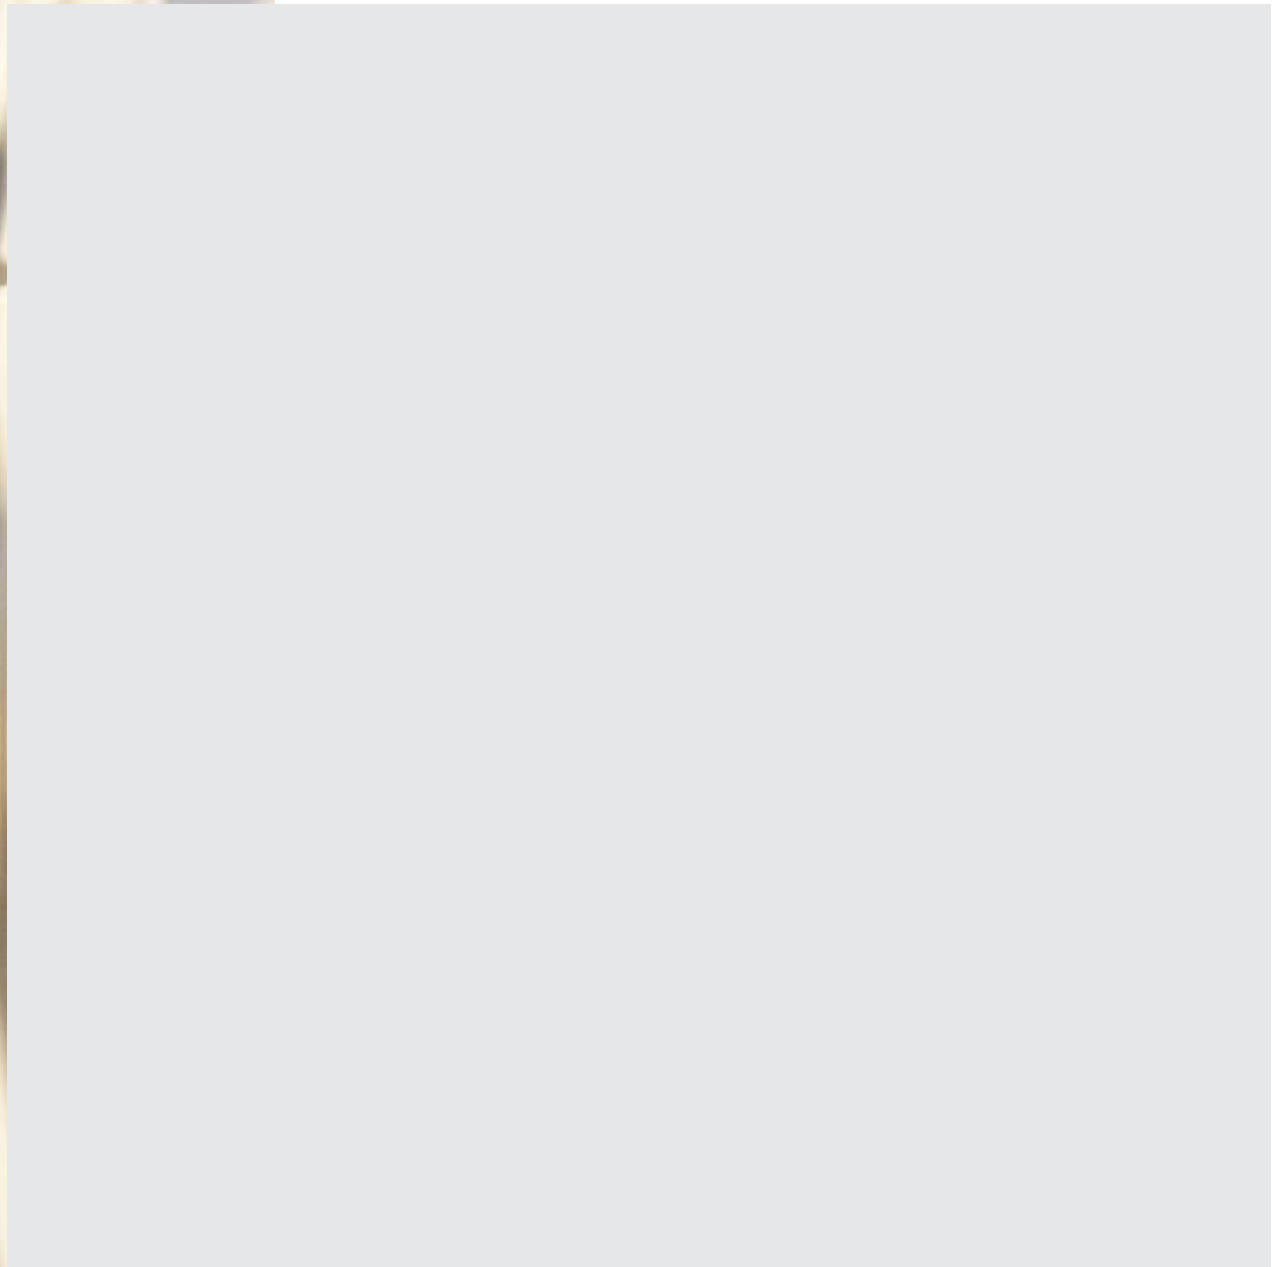

Everyday Collection

Ready for anything.

Built for the non-stop week, the Everyday Collection moves effortlessly through the city, from office hours to off-duty moments. Designed for a new generation of professionals, who need form and function in equal measure, it's the go-to choice for commutes and spontaneous getaways. Crafted from 100% recycled polyester with a PU coating, the collection delivers a clean look backed by water-resistant materials and water-resistant zip closures — ready for whatever the day brings.
